First floor 3 bedroom apartment

Very large first floor apartment of 150m2. Three large bedrooms, two bathrooms with one being en-suite.

This property comes with fully fitted hand made kitchen with solid wooden doors. Oven, fridge-freezer and washing machine come as standard with this apartment and all fixtures are of the highest quality. A private garage with parking available for two large vehicles is also included.

With only top quality materials used in construction this makes an excellent investment as price rises are imminent due to the new airport opening
